JULY 25&26

HEAD LIKE A KITE

Head Like a Kite are the electro duo of Dave Einmo (guitar, synths, sampler, vocals) and Trent Moorman (drums, *Stranger* contributor). New album *There Is Loud Laughter Everywhere* is the dreamy soundtrack to your imaginary trip into space—pitch-black but layered with bright, starry bursts of breathy vocals, strings, and unexpected guitar freak-outs. (Fri, Neumo's, 5:15-6)
